ORIGINAL SIZES

The dimensions of the original are as shown in the diagram with the points from which the measurements are made indicated alongside.

- Top: the single dot where the two tapes meet
Bottom: the space between the two 'V's at the bottom of the piece
Left: the space between the two 'V's at the left side of the piece
Right: the space between the two 'V's at the right side of the piece

These dimensions (104 x 130 mm) are for Mettler 60/2 cotton, but should also be suitable for Madeira or DMC 50/2. The appropriate dimensions for two other threads that you might use for this pattern are:

 Madeira 30/2: 150 mm x 188 mm

 Gütermann silk 100/3: 156 mm x 195 mm
